CARTER IS MAKING HISTORY!

THE CARTER COMMUNITY IS CREATING A VIRTUAL TIME CAPSULE TO COMMEMORATE LIFE DURING THE 2020 COVID-19 PANDEMIC

Time Capsule

We are living in a time that will be documented in our history books. Staff and students at Carter Middle School are creating a virtual time capsule to record their lives during the COVID-19 pandemic. A time capsule is a collection of items gathered by a community to serve as a reminder of the year and will be opened at a later date. Carter Middle School is inviting everyone to participate weekly to our time capsule.

Directions:

1. Look for and read each week's challenge on Carter's website.
2. Take a picture or video of you and/or your family completing the challenge.
3. Email your submissions to LStabile@wcskids.net and KWilking@wcskids.net

Weekly Tasks
